ABORTION Ban or legal?	Ban. Ban abortion with no exceptions. “I believe in life.”	Legal. “Decisions about pregnancy should be made between a patient and their doctor.”
CLIMATE CHANGE Should climate change be a top priority? Tax or limit the output of greenhouse gasses, or support renewable energy?	No. “We have some of the cleanest climate in the world,...and we’re talking about climate change?” Described the problem as “bad air” coming from China, and U.S. “good air” going to China.	Yes. “We must accept the science...and combat the climate crisis that is already at our door.” Introduced an act to boost the solar industry and transition to clean energy.
ECONOMY Decrease or increase government investment in, and regulation of, the economy?	Decrease regulation. “When you have all these federal regulations, that's terrible.” The federal government “has a tendency to be overreaching.”	Increase investment. Voted for the Inflation Reduction Act’s major renewable energy investments. Calls for “robust federal funding to create jobs and move our economy forward.” Renew \$300-per-child monthly tax credit. “These monthly payments have helped (families) clothe and feed their children, pay for after school and day care.”
ELECTIONS Did Joe Biden legitimately win the 2020 Presidential election?	No. The election was stolen. “Everyone knows that something happened in the election.” Charged “serious Election Fraud” in Georgia. Called for a re-vote in the seven closest states.	Yes. Calls denial of the 2020 Presidential election “the Big Lie.” “We have seen sadly a willingness by some to literally burn down the system for short-term political gain.”
ENVIRONMENT Loosen or tighten environmental regulations?	Loosen. “Will fight for fewer government regulations.” The U.S. has “some of the cleanest water;” China and India need to clean up “stuff over there for us to clean ours up.”	Likely tighten. “Our harm to the planet often causes disproportionate impacts on marginalized communities.” The U.S. must address their “lack of access to clean water and air.”
GUN RULES Pass more or less restrictive legislation on guns? Or keep the same?	Less. Will “vote to confirm Constitutional judges to our courts who will protect our right to bear arms.” We can’t stop violence through “departments that want to take away your rights.”	More. Seeks “reasonable gun reform.” “We are not helpless. Together we can act to reduce gun violence with common sense safety reforms.”
HEALTH CARE Increase government role in health care, such as expanding Medicaid, limiting drug prices or promoting COVID safety?	No. Wants people to “get off the government health care.” Did not get a coronavirus vaccine “because I don’t think the government should be telling you to get one.”	Yes. “Georgia needs to expand Medicaid.” Voted to expand Medicaid coverage in Georgia and other states that haven’t done so, and to lower drug costs for seniors. Voted for the American Rescue Plan’s support for COVID testing and vaccine purchase and distribution.

ISSUES	WALKER	WARNOCK
IMMIGRATION How to handle immigration? Support a path to citizenship for "DACA" participants brought to the US as children?	Restrict. "The border crisis...is bringing drugs, crime, and human trafficking to our state." "Will work to secure our southern border." No position found on DACA.	Create a comprehensive plan. "We need comprehensive immigration reform that fixes our broken system, keeps our nation safe, and provides a reasonable path to citizenship." Supports a DACA path to citizenship, "you have no right to celebrate the dream if you will not liberate the dreamers."
LABOR Make it easier or harder for unions to organize?	No recent position found. In 2010 supported having a Mixed Martial Arts fighters' union.	Easier. Supported a pro-union bill to "help strengthen the right to organize."
LGBTQ RIGHTS Limit or expand LGBTQ rights?	Limit. Gay marriage should be determined by each state. About transgender athletes, "it's written in the Bible...you have two [sexes], there's a man and a woman and that's it."	Expand. "I'm a proud ally of the LGBTQ+ community." Cosponsored the EQUALITY Act, prohibiting discrimination on the basis of sexual orientation or gender identity.
MARIJUANA Ban or legal?	No recent position found. In 2013 said, "Marijuana used to be considered so bad. Now states are voting to legalize it. What's next? Legalizing cocaine?"	Legal. "Decriminalize marijuana now."
MINIMUM WAGE Keep or raise federal minimum from \$7.25 per hour? If raise, how much?	Opposes federally mandated minimum wage. "I couldn't approve that." Says businesses should be able to pay "what they're capable of paying."	Raise. Sponsored a 2021 bill to raise the federal minimum wage to \$15 an hour. "\$7.25 [is] not a living wage."
POLICE AND COMMUNITY How to address police use of force?	More research and better training. Supported a Senate bill to train police and collect data on police use of force. The bill rejected an alternative that would make it easier to sue following police misconduct.	Reimagine the relationship with communities they serve. Co-sponsored a bi-partisan bill to fund de-escalation training, body cameras, and mental health resources. Appoint independent prosecutors to handle police-involved shootings. "I oppose defunding the police. But we have to respect law enforcement enough to hold them accountable."
STUDENT FINANCIAL AID Support lowering interest on student loans or forgiving them?	No. Regarding student loan forgiveness, said, "I didn't co-sign for anyone's loan and it's not right. It's not fair."	Yes. "I pushed the President to do student debt relief." "It's investment in our people." "It will spur entrepreneurship." "We need reform... because college is outpacing the cost of everything else."
TAXES Should corporations and wealthier individuals pay less or more taxes?	Less. Will fight for lower taxes on businesses. Has pledged to oppose all income tax hikes. "Raising taxes is the last thing we should be doing."	More. "Will oppose Washington tax breaks that benefit the richest of the rich." Supported a bill to impose a 15% minimum tax rate on corporations and increase taxes on billionaires.
VOTING RULES Support tightened restrictions on such voting rules as absentee and early voting, and voter ID?	Yes. Supports Georgia's 2021 Election Integrity bill, which limits the time for absentee and early voting, adds new voter ID rules, restricts giving out food and water, and lets the state remove power from local election boards. Opposes Democratic bills to limit voting restrictions; said naming one for John Lewis is "a shame."	No. Cosponsored two bills, the John Lewis Voting Rights Advancement Act and the Freedom to Vote Act, to "make it easier to vote." Says that by refusing to at least debate these bills Republicans have abdicated responsibility during a time when there's "an all-out assault on our democracy."
